Hi Mr. Teng,

Thank you for the instructions—I've received everything clearly.

Here are my GitHub details:

Username: itzYoriRyanC

Profile: <https://github.com/itzYoriRyanC>

I'll proceed with joining the Discord, updating the timesheet daily, and reviewing the access provided. I'll also start exploring the repository to understand the matching algorithm.

Please let me know if there are any specific tasks or areas you'd like me to prioritize first.

Thanks again—I'm looking forward to contributing.

Best regards,

Ryan
